

Q10 What was the best aspect of the meeting?

Answered: 79 Skipped: 13

#	RESPONSES	DATE
1	The wide variety of topics and the high quality of all the speakers. The whole day was really well organised and interesting from start to finish.	11/25/2017 4:48 PM
2	Jemma Smith neurology talk was excellent - definite highlights (as it was last year in Nottingham) with really interesting cases with clear take home learning points from each one . Sarah Turpin emergency medicine talk was interesting - really enthusiastic speaker.	11/14/2017 10:10 PM
3	Focussed on issues relevant to our clinical practice Very inspiring and encouraging that trainees can make changes.	11/12/2017 4:03 PM
4	The meeting does not feel like a meeting at all. The whole learning environment is such a friendly and supportive one that it reflects how good geriatric society as a whole. Thoroughly enjoyed the day.	11/11/2017 11:32 PM
5	Enjoyed all talks all relevant too my role as an orthogeriatric nurse practitioner	11/10/2017 9:29 PM
6	Interesting and relevant talks. Very well organised. Useful to talk to med regs to discuss concerns.	11/10/2017 12:27 PM
7	Fantastic speakers and excellent content. Very informative - appropriate too!	11/9/2017 8:34 PM
8	Presentations on Delirium and Parkinsons medication.	11/9/2017 2:14 PM
9	The lectures were pitched at the right level. Very interesting, very good speakers and thoroughly enjoyable.	11/9/2017 2:14 PM
10	Range of talks and quality of speakers. Very engaging, informative and have a different focus than at other meetings making it very relevant to junior level and changes that we can actually make.	11/9/2017 9:19 AM
11	The after mid morning coffee and before lunch slot... PD, neurology and career lectures	11/8/2017 10:53 PM
12	Quick paced, talks were good lengths which kept you engaged and focused. On the whole very good speakers, thoroughly enjoyable and educational day	11/8/2017 11:38 AM
13	variety of talks - in depth and interesting	11/7/2017 9:50 PM
14	Great speakers, passionate and encouraging	11/7/2017 12:24 PM
15	The variety of talks for the main sessions meant there was a good range for both general/specialist interests. Good length of talks. Med reg/geriatric trainee lunchtime talks helped to answer questions to ease concern about future training.	11/7/2017 9:30 AM
16	The enthusiasm of those who spoke about geriatrics and older people The fact that it was focused on tips and advice rather than just facts Oddly found the itu presentation really relevant for a gp trainee as the same decision making applies to deciding whether to admit to hospital in the first place	11/6/2017 5:51 PM
17	The talks were absolutely amazing! Every single one of the talks were fantastic and so engaging!	11/6/2017 5:32 PM
18	Great speakers.	11/6/2017 3:41 PM
19	Getting to hear first hand accounts from people in the specialty.	11/6/2017 3:20 PM
20	Parkinson disease was excellent	11/6/2017 2:42 PM
21	varied talks	11/6/2017 2:30 PM
22	The talk on ITU and ageing	11/6/2017 2:16 PM
23	relevant topics aimed at FY/SHO level with each talk giving really helpful practical advice on how best to manage geriatric patients	11/6/2017 2:10 PM
24	- Meet the med reg. Great for discussing aspects of being the med reg and debunking myths. - Use of technology e.g. by Dr Garside - really good, interactivity keeps people interested	11/6/2017 9:55 AM
25	The 'ask the med reg' small group	11/6/2017 9:14 AM

Geriatrics for Juniors' Conference - Feedback form
