

## Q11 What was the worst aspect of the meeting?

Answered: 63 Skipped: 29

#	RESPONSES	DATE
1	nil	11/25/2017 4:48 PM
2	None that I can think of but posters it'd be better if posters are in a more spacious room or venue.	11/11/2017 11:32 PM
3	None	11/10/2017 9:29 PM
4	n/a	11/10/2017 12:27 PM
5	Very focused for the route to geriatrician. There is scope for geriatric medicine as a GP (I am a GPR) and feel that this could be considered	11/9/2017 8:34 PM
6	None	11/9/2017 2:14 PM
7	Nil	11/9/2017 9:19 AM
8	Falls lecture	11/8/2017 10:53 PM
9	The final talk was slightly iffy, it was interesting to hear about some aspects of managerial positions which are rarely talked about. However I didn't come away with any actual practical points from the talk and did find that I started to switch off	11/8/2017 11:38 AM
10	just a bit far !	11/7/2017 9:50 PM
11	Nothing!	11/7/2017 12:24 PM
12	Was quite hospital focused which is fair enough but us gp trainees like geriatrics too and want to learn more	11/6/2017 5:51 PM
13	I enjoyed every moment, no negative aspects at all!	11/6/2017 5:32 PM
14	That it wasn't longer.	11/6/2017 3:20 PM
15	I found some of the sessions a little basic and was more like a recap of my knowledge.	11/6/2017 2:42 PM
16	n/a	11/6/2017 2:30 PM
17	The lunchtime nurse practitioner	11/6/2017 2:16 PM
18	Struggled to see the main points of Dr Wyck's Dream Hospital talk. She is a very interesting person and it's great to hear some of her insights, but I'm not sure about the relevance to the day and didn't really give us any lasting take-home messages.	11/6/2017 9:55 AM
19	There want anything that was a bad aspect-time keeping was good, talks weren't too long and were appropriately interactive	11/6/2017 9:14 AM
20	nil	11/6/2017 8:56 AM
21	Limited seats during lunch time.	11/6/2017 7:10 AM
22	na	11/6/2017 2:55 AM
23	Perhaps less case based discussion!	11/6/2017 12:17 AM
24	Lack of place to sit during the lunch break	11/5/2017 9:47 PM
25	Nothing	11/5/2017 9:28 PM
26	Ask a med regarding was not that helpful to me, in terms of the site not having anywhere to sit at lunch was difficult as we all ended up sat on the floor	11/5/2017 9:21 PM
27	None.	11/5/2017 6:03 PM
28	None	11/5/2017 5:20 PM
29	I feel that certificates of attendance should have been given.	11/5/2017 3:41 PM
30	none	11/5/2017 3:29 PM

## Geriatrics for Juniors' Conference - Feedback form

31	Falls talk could have been far better I'm afraid	11/5/2017 2:47 PM
32	Did not enjoy the dream hospital talk.	11/5/2017 2:46 PM
33	The parkinson's Talk was great but too fast! Not enough time to copy down the really useful information on the slides.	11/5/2017 1:13 PM
34	That it didn't go on for longer :)	11/5/2017 12:39 PM
35	Lights in the conference room. They were directed to the faces of audience. It was tiring for the eyes.	11/5/2017 12:12 PM
36	None- thoroughly enjoyed all aspects of the meeting	11/5/2017 11:03 AM
37	Not enough space at lunch to sit and eat	11/5/2017 10:54 AM
38	Nothing. Loved the whole day!	11/5/2017 10:23 AM
39	None	11/5/2017 10:17 AM
40	No sitting area with catering	11/5/2017 9:18 AM
41	Would have been nice to have somewhere to sit and eat lunch rather than the floor. V minor point tho - I had a fab day!!!	11/5/2017 9:10 AM
42	Loved it all!!!	11/4/2017 10:38 PM
43	I wanted more ! Really fantastic day	11/4/2017 9:53 PM
44	No seating for lunch. Would've been more interactive with round tables and chairs in the main room rather than rows...these could've then been accessed for lunch.	11/4/2017 8:38 PM
45	-	11/4/2017 8:28 PM
46	I travelled from Leeds and would have preferred a 9.30am start, especially as it was the weekend. Also, would have liked more fruit on offer throughout the day.	11/4/2017 8:25 PM
47	None	11/4/2017 8:01 PM
48	Nothing	11/4/2017 7:48 PM
49	Poster display	11/4/2017 7:18 PM
50	As a non medic I was looking forwards to the 'developing a frailty service from a nurse practitioner' I found however that in contrast to the rest of the conference there was no structure whatsoever no facilitator or topic, instead all the nurse and ahp attendees gathered in a corner and had a general chat which we could have in the breaks anyway. This is no criticism perhaps next year you could invite a practitioner to be involved in a way and facilitate this? (I would be keen to be involved :)	11/4/2017 7:17 PM
51	Single day only - so much to cover	11/4/2017 7:00 PM
52	Nil	11/4/2017 6:36 PM
53	Nothing!	11/4/2017 6:34 PM
54	Didn't have the polypharmacy session as per preliminary schedule which was what I was looking forward to. Also frailty service session with nurses was mainly a discussion about how poorly staffed the ortho wards were- but some interesting points about how CNS build up their own training	11/4/2017 6:13 PM
55	The last lecture - I am unsure as to the point of this one sorry	11/4/2017 6:11 PM
56	Repetition of " top 10 tips " in every presentation	11/4/2017 6:10 PM
57	Nothing.	11/4/2017 6:06 PM
58	Traffic getting to the station afterwards! (You guys were great, no complaints!)	11/4/2017 5:58 PM
59	Nothing bad! It would be good to have had the text in number and twitter handle as a sign on the table on the stage as it only appeared briefly between presentations , needs to be available at all times to work	11/4/2017 5:50 PM
60	Lunch was a little long, even when did attend two lunchtime sessions	11/4/2017 5:26 PM
61	Cannot think of any.	11/4/2017 5:21 PM
